

NANETS

NORTH AMERICAN NEUROENDOCRINE TUMOR SOCIETY

THE MULTIDISCIPLINARY MANAGEMENT OF NET DISEASE

SUPPORTER & EXHIBITOR PROSPECTUS

TORONTO, ON • SATURDAY, MAY 27, 2023

CLEVELAND, OH • SATURDAY, JUNE 10, 2023

BETHESDA, MD (NIH) • FRIDAY, SEPTEMBER 8, 2023*

SALT LAKE CITY, UT • SATURDAY, NOVEMBER 4, 2023

DETROIT, MI • SATURDAY, NOVEMBER 11, 2023

Dear Supporter,

NANETS comprehensive, one-day regional NET Education programs are offered in conjunction with local cancer centers to provide multidisciplinary training to medical professionals across North America. Local physicians and allied healthcare providers come together with leaders in neuroendocrine medicine to educate and discuss NET disease and patient care in the community and across the U.S. Participants learn about standard management of patients with neuroendocrine tumors, as well as new diagnostic and therapeutic techniques. Continuing medical education (CME) credits are provided at regional conferences. CMEs vary from program to program depending upon the local CME provider.

On behalf of the North American Neuroendocrine Tumor Society (NANETS) and our partner institutions, we respectfully request your support of our upcoming NANETS Regional NET Education Series: The Multidisciplinary Management of NET Diseases to be held in five locations in 2023. We will also be integrating live recordings of our new podcast series, NETCast.

We invite you to participate as an exhibitor at the full day CME accredited professional education conferences over the year. This prospectus includes information on exhibiting or support opportunities, and the commitment form. Exhibit space is limited, so please respond as soon as possible. Exhibitors and supporters will receive prominent recognition in event signage and prime booth locations in the exhibit area.

This is an exceptional opportunity for exhibitors to showcase new services, technologies, equipment and pharmaceuticals. A listing of all exhibiting companies will be included on the event signage and recognized throughout the year at all events you select to sponsor. You can choose one regional or all to support. Thank you for taking the time to review this prospectus and for your consideration as a potential exhibitor or supporter. We hope you will join us at the NANETS 2023 Regional Conferences.

Reserve your display table today! Kindly complete and return your commitment form by April 7, 2023, to NANETS staff by emailing staff@nanets.net.

We look forward to partnering with you as we continue our efforts to improve neuroendocrine tumor (NET) disease management through increased research and educational opportunities. Thank you for your consideration of this request.

Sincerely,

NANETS PRESIDENT

Pamela Kunz, MD

Yale School of Medicine

NANETS CONTINUING EDUCATION COMMITTEE

Erik S Mittra, MD, PhD, Chair
Oregon Health & Science University

Chandrikha Chandrasekharan, MBBS, Co-Chair
University of Iowa, Carver College of Medicine

SPACE ASSIGNMENT

Space will be assigned at the discretion of NANETS. Exhibitors may use the exhibitor commitment form to designate their preference for location near other companies or their desire not to be located adjacent or opposite designated companies. These requests will be honored to the greatest extent possible.

NANETS reserves the right to alter the floor plan at any time and will inform all exhibitors accordingly.

INSTALLATION OF EXHIBITS

We request all exhibitors to complete set up at least 30 minutes prior to registration opening at each respective program.

PAYMENT INFORMATION

Please make checks payable to North American Neuroendocrine Tumor Society.

Checks can be mailed to:

NANETS
136 Everett Road
Albany, NY 12205

If you prefer to pay by credit card or require an invoice to complete payment, please call NANETS staff at (518) 465-4549.

EXHIBIT TIMES

Times vary based on the program schedule. NANETS staff will provide you with details for each Regional. Typically exhibiting hours are 7am – 4pm.

***Note:** Due to the fact that we will not be allowed vendor booths in the NIH, we will host a reception with sponsors the night before featuring a new NETCast podcast session.

Registration, breakfast and breaks will be located in the exhibit and surrounding areas.
